

# Corporate Relocation, Simplified

End-to-end employee and office relocation services tailored for global businesses

by Jigsaw Conferences

A man and a woman in business attire are standing in an office, looking at a large document together. The man is wearing glasses and a blue blazer, and the woman is wearing a blue blazer. They are both looking down at the document. In the background, there is a whiteboard with some charts and a potted plant. On the table in front of them, there are some papers, a coffee cup, and some cardboard boxes.

# Frequently Asked Questions

## Why should I choose professional relocation services?

Professional relocation services save you from mental and physical stress, allowing you to focus on other essential aspects of your move. Our experts handle everything systematically, from packing to transportation, ensuring not even a single item goes missing.

## How do you handle important documents and valuable items?

We maintain strict confidentiality and security protocols. Our team creates detailed inventories, uses specialized packing materials, and implements careful tracking systems to ensure all important files, documents, and valuable items are protected throughout the transition.

# More Frequently Asked Questions

## What makes Jigsaw's relocation service different?

With over 20 years of experience, we offer comprehensive services including property search, settling-in support, and even home marketing in your origin city. Our global network spans major cities like London, Manchester, and Birmingham, providing consistent quality worldwide.

## How do you ensure a smooth office relocation?

Our professionals create detailed inventories of all office items including fixtures, fittings, equipment, and computers. We carefully plan the logistics, choose appropriate transport methods, and handle all electrical and fitting requirements at the new location.

## What should I prepare before the relocation begins?

Simply provide us with details of your goods, furniture, and appliances in advance, along with your budget and location preferences. We'll handle the planning, scheduling, and execution while keeping you informed throughout the process.
